Reprint. News-Herald: "There is at least one effectual, safe, and reliable cough cure—Dr. Shoop's—that we regard suitable, even for the youngest child. For years, Dr. Shoop bitterly opposed the use of opiates or narcotics in medicine, offering \$10 per drop to any one finding opium, chloroform, or any other poisonous or narcotic ingredient in Dr. Shoop's Cough Cure. And the challenge is yet unanswered. Here is one manufacturing physician, who welcomed with much satisfaction the new Government Pure Food and Drug Law. The public can now protect itself at all times, by insisting on having Dr. Shoop's, when a cough remedy is needed." Sold by all dealers.

### SWEET MELODY FLOUR.

Passed Examination Successfully. James Donahue, New Britain, Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Cure. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Cure cures backache and all forms of kidney and bladder trouble. Sturm & Wilson.

Greenlawn Cemetery Now Open. Beautiful lots under perpetual care. Car line passes main entrance. For information or price on lots, inquire of P. H. Koblegard, Pres., T. J. Lynch, Secy., or L. Lee Farley, Supt., on the grounds.

### SWEET MELODY FLOUR.

The Purest Article. This addition to the M. Frost & Company's Family Liquor Store advertisement on another page came in too late to use in its place this week. Ask for these brands. As the holidays approach nearly everybody is beginning to contemplate the quality of the little whiskey the family will want for that period, especially for uses in gastronomic preparations. More or less special hospitality then prevails and nearly all hosts, like Lord Ashburton, "love to offer their guests the very cream of culinary perfection."

For these purposes, as well as for medical adaptations, the Clark Distilling Company's products are distinctly prepared. Beginning with pure mountain water, continuing with carefully select grains and absolutely clean distillation, and finishing with Time's own aging processes—all without adulterations, the ideal climax of super-excellence is attained.

For all household and therapeutic uses, therefore, these whiskeys are the best, and for even those who, in spite of solicitude and temperate restraint, abuse the sovereign privileges of sobriety, they are by far the least harmful.

For the mince-pie and kindred holiday delicatessen, don't go away from home, but get the sauces piquante most indigenous to the water we drink, and the grains which grow out of home soil—Clark's "Madison Club," "Old Export," "Braddock," "Old Maryland Rye," or "Old Cumberland."

Open the bowels—DeWitt's Little Early Risers are recommended and sold by Stone & Mercer.

ONE OF THE MOST ESSENTIAL ELEMENTS OF SUCCESS

## THRIFT

Is one of the most essential elements of success—yet most wretchedly disregarded. The old adage—"Wifful waste makes woeful want."—never was more fully exemplified than in these days, when much of the want that prevails would not exist had care been taken in time of prosperity, to lay up something for a rainy day.
